When Gene's son Gary took over in the 1980s he positioned the company for growth with more facility expansions and acquisitions. As of 2013, Gary's sons, Carl and Charles, lead the fourth generation of George's, Inc. into success and growth, while maintaining the family values their predecessors instilled in the company. Company Description: Because we believe in doers — the ones who take action and get the job done. The ones who change companies and industries forever.

Doers take pride in crushing a goal; closing a sale; making a customer happy; and delivering ahead of schedule.

Doers don't waste time and don't risk results — they do more with less.

We see a world where the doers do less work about work, and have more time for important things — on and off the clock.

Always driving forward and taking pride in what they've accomplished.

We believe in the doers, because we are doers, too. We are customer-obsessed; execution-oriented; growth-minded, and passionately curious.

And we build great products for the doers of the world, so they can do what they do best: Great Work.
