Company Description: Before being served, coffee passes through forty pairs of hands in its journey from sowing to an espresso cup. Behind every one of these exchanges, there is a different culture, a face, a story to be told. 40 Hands is a journey to discover the people who have decided to dedicate their lives to their passion for coffee. The coffee journey follows a path that unfolds through generations and latitudes, united by the same values: "Respect, dedication and responsibility, especially towards nature," says Enrique Mancilla Oyos, a Peruvian farmer who has been working with Lavazza for years. His ancestors processed coffee at Nagazú, but at the time there were no roads, so production was limited to the needs of the family.

Company Description: We could tell you that when Sarah and Emmet Condon started Liquid Remedy in their kitchen in Melbourne, Australia, they had no idea what lay ahead. But we'd be lying. They had an inkling. It all started with some home-brewed kombucha. Their kids were into it. Their mates were hooked. Family members were dropping by more often for a taste.

So, they took a chance. Some might call it a massive risk. They had a young family. No jobs to fall back on. Some savings, a couple of credit cards. Entrepreneurial know-how, but no experience in the food and drinks world. What they did have was big aspirations and a simple belief.

They wanted to do something good. Shake things up. They knew that healthy didn't have to be boring. Healthy could be tasty. Extraordinary, even. They believed we all deserve to know that too.
