**Company Description:** Reflexis is the pioneer in real-time store execution and workforce management solutions that enable retailers to execute their customer engagement strategy flawlessly and uncover profit. The Reflexis platform of real-time store execution, task management, compliance, time and attendance, and labor scheduling (including budgeting, forecasting, and employee self-service) enables retailers to align store labor & activities to corporate goals and institutionalize best-practice response to real-time metrics and alerts.

For the past 15 years, more than 200 customers in multiple vertical categories such as retail, hospitality, and Quick Service Restaurants have reported dramatic improvements in compliance with corporate strategies; higher productivity of corporate, field, and store employees; and increased revenue and profitability after implementing Reflexis workforce management and real-time execution solutions.

Reflexis StorePulse® synchronizes activities with real-time metrics, alerts, and customer demand. Stores, hotels, and restaurants can systemically execute best practices to provide a greater quality of customer engagement, leading to higher revenues.

Reflexis Systems, Inc. is privately held and headquartered in Dedham, Massachusetts, with the Customer Operations Group in Kennesaw, Georgia and international offices in the UK, Germany, and India with additional sales presence in Canada and Latin America.
