Company Description:	<p>Pristine offers an action plan using its integrated solution platform for making recommendations across all merchandising areas – Everyday Pricing, Mass Promotions, Markdown or Clearance, Personalized offers, Assortment, Supplier Collaboration and provides Total Business Forecasts for Sales, Gross/Net Margins and Units. Pristine is the only company that takes an integrated, holistic approach to all pricing investments as siloed actions do not provide a complete picture or the returns on investments.</p> <p>Our integrated solution is designed to not only maximize pricing and promotion decisions, but to more broadly help retailers set a more powerful, differentiated value equation to attract more customers and to grow engagement of current customers. In short, Pristine is in the business of bringing customers to you.</p> <p>Pristine has launched AI Accelerator, called Kai, that is truly revolutionary. It answers business questions, send alerts, offers options and action plan to empower decision makers. Retailers will agree that business analysts, managers spend hours and days to create business review plan for a category, division or get answers to business questions that require immediate answers, options etc... Pristine's Kai is an answer for all merchandising, category management to finance and store ops.</p>
