Company Description: Industries around the world are at a turning point. Global megatrends such as population growth, urbanization, food, water, and energy scarcity, labor and skills shortages, and climate change are forcing companies to approach their business strategies in new ways. Meeting these growing resource challenges demands more than just sustainable solutions. It demands practical answers forged from deep experience, nimble application, and creative ingenuity that constantly reimagine the possibilities.

At Sealed Air, we partner with our customers to solve their most pressing resource challenges by delivering new solutions derived from our unmatched industry knowledge and expertise. These solutions create a more efficient, secure and less wasteful global food supply chain and enhance commerce through fulfillment and packaging solutions to protect the worldwide movement of goods.
