Company Description: AutoStore, founded in 1996, is a robot technology company that invented and continues to pioneer Cube Storage Automation, the densest order-fulfillment solution in existence. Our focus is to marry software and hardware with human abilities to create the future of warehousing. The company is global with installations in over 30 countries in a wide range of industries. All sales are distributed, designed, installed, and serviced by a network of qualified system integrators we call Partners.
