Company Description: We started True Story because we wanted to do things differently. We saw how we had lost our way as a society, with a food culture that prioritized fast over good, quantity over quality, efficiency over sustainability.

We're slowing down to raise and enjoy meat the way we were meant to. In doing so, we're not only enjoying cleaner, more delicious and healthier foods—we're improving the welfare of our land, our animals, our farmers and our families.
