Company Description: We've been in your shoes. We've experienced your frustration. The Allan Sullivan Co. was born when we set out to change it. We built the brokerage to provide the value we wish we got when we were in your position.

Over the course of our careers, we've led everything from category and trade marketing to national account teams and business units in excess of \$1B. We've been on the manufacturer side of the table and the retailer side of the table. We've been at large multinationals and small startups.

No matter where we were, we kept being underwhelmed by the quality of the manufacturers reps we ran into. Even the ones we hired – we were always left wanting more. How was it possible that such a critical part of the value equation could come up so short so often?

Company Description: Our founder, Phil Werdal, started out working in Alaska's seafood industry in 1970. Over time, he discovered a vast information gap between the people who catch and process fish and those who buy and eat it. He found that consumers are often left wondering what the seafood product actually was and where it came from.

Phil believed traceability was the solution to fill that information gap and started Trace Register in 2005, bringing together a team with a depth of experience in the seafood industry and technology.

Company Description: Tusan Commodities was created in 2017 by Daniel Tuta. After 13-years of experience in the food industry, Daniel decided that it was time to capitalize on his proven success, expertise, and well-established industry reputation by going into business on his own. Daniel started his career working for General Mills and Tia Maria Bakery in the early 2000s where he learned how to place products on the shelves for a variety of retailers and gained food production experience. He continued his career at Sherwood Foods as a Buyer. Soon after, he worked 2-year for Colorado Boxed Beef, where he mastered both areas of expertise, buying and selling commodities. This experience led him to a successful 8-year career with Signature Foods. At Signature he managed the procurement and sales department, further developed the Pick-5 business brand and expanded and grew the company's IQF chicken product line, domestically and internationally. Daniel became the most successful sales employee within Signature Foods.
